## **Bioengineered Foods Disclosure Requirement**

I can confirm that **all** products sold under the St Pierre brand do not contain any genetically modified ingredients.

St Pierre Groupe are committed as an on-going brand standard, to ban the use of any genetically modified material in any St Pierre branded product.

Therefore, no St Pierre brand products are required to have any labeling regarding Bioengineered foods as per the National Bioengineered Food Disclosure 7 CFR Part 66.

A handwritten signature in black ink, appearing to read 'H Crouch'.

Hannah Crouch  
Regulatory Affairs Manager
